## **DETAILED ACTION**

### ***REASONS FOR ALLOWANCE***

1. The following is an examiner's statement of reasons for allowance:

Upon reconsideration, in view of the Supplemental Response filed 4/7/2004, which incorporates a polymerization process of cancelled claims 6 and 15 into independent claims 1 and 12, respectively, the Examiner notes that since Applicants' Response and Mr. Yoshio Nakagawa's Declaration filed 11/7/2003 are persuasive that the multi-step polymerized propylene/ethylene copolymers blend is structurally and morphologically different from the mechanically blended ethylene-propylene rubber of prior art references, the Examiner now agrees that the instant invention is unobvious over Tucker et al. (US 5498476) either individually, or in view of WO 97/05206.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Victor S Chang whose telephone number is 571-272-1474. The examiner can normally be reached on 8:30 - 5:00.
